## From the Dean . . .

### A SEASON OF THANKS

November is the month in which we as a nation give thanks. I am thankful for the work that you do for your church, for our chapter, and for our profession. Our world is better for your contributions to our common good, and our worship is more profound, meaningful, joyous, and engaging. Our chapter broadens our knowledge of repertoire, inspires us to improve our playing, and gives us fellowship with others engaged in the same profession.

Around ten years ago I read that John Wooden listed things on paper daily for which he gave thanks. At that time I started writing in a notebook five things that I gave thanks for during my morning devotional time, and I have many of these notebooks on my bookshelf. The entries include pretty Christmas and Halloween lights, tasty food, the kindness of others, as well as trying situations that have grown me as a person. Since starting that practice I am more aware of the positive influence others have made on my life, and the simple things that make my life more pleasant.

I am delighted to announce that Carolyn Mason will serve as Chair of the Scholarship Committee and John Palmer will serve as Dinner Greeter. The elected officers approved these appointments in record time. John has made it his mission to make all feel welcome in our chapter, and Carolyn has extensive knowledge of the workings of the Scholarship Committee. I give thanks for their willingness to serve.

Enjoy the Music!

Terry McRoberts, Dean

## EXAMS AND PROFESSIONAL CONCERNS

### A worthy pursuit: professional credentials

Application deadlines for the Service Playing Certification (SPC) and Colleague Certification (CAGO) started Sept. 15 for CAGO, and Oct. 1 for SPC.

From the HQ website:

#### 2022-2023 Examination Dates, Deadlines, and Fees

**SPC**--The test is offered from October 1, 2022, through March 31, 2023. Examination fee: \$150; student rate: \$125. Surcharge for non-AGO members: \$250. February 1, 2023, is the final application deadline. Applications for SPC tests between October and early February should be received at least three weeks prior to the scheduled test date.

**CAGO**-- The next exams are currently planned for November 18, 2022 and May 12, 2023. Examination fee: both sections, \$175; single section, \$150. Student rate: both sections, \$150; single section, \$125. Surcharge for non-AGO members: \$250. Application deadlines are September 15, 2022, for the November 18, 2022 CAGO exam and March 1, 2023 for the May 12, 2023 CAGO exam.

Find more information on these and more advanced certification requirements, go to the AGO HQ site at <https://www.agohq.org/certification/>

#### Grow your talent!

**IN PERSON**, Memphis area.... improve your playing, learn new skills, prepare for certification... We're blessed with excellent local instructors to boost your playing! Go to **Find An Organ Teacher - Memphis Area**, posted on the AGO HQ site at <https://www.agohq.org/find-an-organ-teacher/> -- or go to the HQ site, Careers tab (not the Education tab), and it's a few links down on the menu.

**ONLINE**, from AGO headquarters:

--"Lessons for the New Organist" -- 30 short videos explaining things like stop families, pedal technique, etc.

-- **Achievement Awards.** These are five certificates that developing organists can work through with a mentor/ teacher, who checks off different requirements, kind of like a scout merit badge. Both are at <https://www.agohq.org/new-organist/>  
-----

**Final Note: Expand your repertory!**

**Some of my favorite go-to composers**--I schedule their readily playable, inspiring music often: Jeanne Demessieux, Florence Price, Emma Lou Diemer, Marilyn Biery, Elizabeth Stirling, Libby Larsen, Gladys Jameson, Gwyneth Walker. Also, I enjoy improvising postludes and communion music on tunes by Linda Egan, Magnolia Butts, Doris Akers, found in various hymnals.

Most of us probably have scads of music we haven't even read through yet, but if you're playing some fresh repertory that's received well by your congregation, or in recitals, please email me, and I'll gratefully include your suggestions in future ECs.
